EDUCATION

University of Central Florida - College of Engineering and Computer Science

Bachelor of Science in Computer Engineering

Expected Graduation: Fall 2026

- Florida Medallion Scholar (Bright Futures)
- Dean's List Honoree
- IEEE and Robotics Club Member

GPA: 3.5

TECHNICAL SKILLS

-
- Programming Languages: C#, C++, JavaScript, MIPS, Python
 - Development Tools: Visual Studio, Visual Studio Code, Unity, Git, GitHub, Eclipse, Jupyter Notebook
 - Engineering Tools: Nverse Pro 64, LTspice, Blender, Autodesk Fusion
 - Hardware: Soldering, Electronics Assembly, FPGA Development Boards, Raspberry Pi, ESP32

PROJECTS

N.A.V.I. Smart Wheelchair - Senior Design

May 2026 - Present

- Developed a smart wheelchair system using Raspberry Pi 5, ESP32, cameras, ultrasonic sensors, and an inertial measurement unit
- Integrated obstacle detection, joystick control, and emergency-stop functionality
- Collaborated with computer and electrical engineering students to test components, document requirements, and troubleshoot hardware and software integration

Deadman's Tale Multiplayer Game - Unity/C#

June 2026 - August 2026

- Developed user interfaces, menus, HUD systems, and gameplay features for a multiplayer Unity game using C#, Unity, and AI-assisted development tools
- Earned "Best in Show" in UCF's AI for Game Programming course for Deadman's Tale

WORK EXPERIENCE

Eats2Seats - Staff

June 2025 - December 2025

- Delivered fast and accurate service to guests during high-volume stadium events
- Ensured compliance with alcohol and safety protocols, supporting a responsible and efficient environment

PLW Modelworks - 3D Modeler

May 2024 - December 2024

- Specialized in creating detailed 3D city models through orthophoto and oblique aerial imagery using Nverse Pro 64 software for high-profile clients
- Delivered high-accuracy city models under tight deadlines, ensuring both quality and efficiency

McDonald's - Crew Member

February 2021 - April 2022

- Processed an average of 200 customer orders per shift, optimizing kitchen workflow and teamwork
- Managed daily food preparation in a fast-paced team environment, helping reduce wait times by 20%

Kumon - Tutor

June 2019 - August 2019

- Tutored students in math and reading, improving academic skills through personalized instruction
- Reviewed and provided feedback on 50+ assignments per week to enhance student learning
